# Pickleball

1. A game is to 11 points, and you must win by two.
2. You must be serving in order to score. True or False
3. One foot must remain behind the orange service line when serving.
4. Serves must be contacted below the waist.
5. Serves must be crosscourt and land between the no-volley zone and the baseline.
6. A let serve occurs when the serve hits the net and still lands in the correct service court.
7. Each player will serve until they do not win a point.
8. Players must announce the score prior to serving.
9. When announcing the serve, always call the servers score first!
10. In doubles, at the start of each new game, only one player on the first serving team is allowed a service turn before giving up the ball.
11. In doubles, the player in the right service court serves first.
12. In doubles, when the serving team scores a point, the server moves to the other side of the court to serve.

13. In doubles, the score will be even when the player who began in the right service court is in that spot.
14. In singles, the server will serve from the right when their score is even and from the left when their score is odd.
15. A volley is when the ball is hit in the air without bouncing.
16. In order to perform a volley, a player must be behind the no-volley zone.
17. Each team must play the first shot off the bounce and the return of serve must also be played off the bounce. This is known as the Double Bounce Rule.
18. The ball may only bounce once (how many times).
19. In pickleball, a ball that lands on the boundary is good.
20. It is (legal, illegal) to touch the net.
21. It is (legal, illegal) to swing and miss.
